

# Helping you manage your retirement goals

## 24/7 ACCOUNT ACCESS

Planning for retirement doesn't have to be complicated. Set up your account to stay on track with your retirement savings goals. And since your life is busy enough, we've made getting to your information simple and convenient. Use these resources to access your account when and how you want.

### Online

#### First-time users

Go to [principal.com/welcome](https://principal.com/welcome)

- Select **Get started**
- Enter your first name, last name, date of birth, mobile phone number (this is the quickest way to verify your identity), and your ID number (this is either your Social Security number or a specific ID provided by your employer), or ZIP code.
- Agree to do business electronically and click **Continue**.
- A security code will be sent to your phone. You can choose to receive it by text or by call. Enter the code when you receive it.
- If Principal is unable to send a code to your phone, you will need to upload a photo of your ID and a selfie to confirm it's really you.
- Create a **unique username**, set a secure **password**, and add your **email address**.
- Select and answer **three security questions** to use if you need to call us.
- You now have access to your online account, and you'll get a confirmation email within a few minutes.
- Once you've created an account, future logins can be easier with a **passkey**. Set one up—you can choose facial recognition, a fingerprint, or a PIN for safe, quick logins.
- Keep your contact information up to date (especially your phone number and email address), and your account will automatically be covered by the Customer Protection Guarantee—which means Principal will reimburse your account if there's unauthorized activity.<sup>1</sup>

#### Ongoing account access

Go to [principal.com](https://principal.com)

- Select **Log in**.
- Enter your **username** and **password** (click **Forgot username** or **Forgot password** if you need to reset) and click **Verify**.
- If you're logging in from a new device, resetting your username or password, or you've opted to use verification codes every time you log in, you'll receive a security code via text message, voice call, or authentication app.
- Enter the security code and click **Verify**.
